

Name _____ Date _____ Period _____

Comparison Chart: Animal and Plant Cells

- 1. List structures that are found only in plant or animal cells in the left and right columns.**
- 2. List structures shared by plant and animal cells in the center column.**

Plant Cell	Plant and Animal Cells	Animal Cell
Chloroplast	Cell Membrane	Mitochondria
Cell Wall	Cytoplasm	Lysosome
Large Vacuole	Endoplasmic Reticulum	Small Vacuole
	Mitochondria	
	Nucleus	
	Ribosomes
